

## Section 1503 – Community Health Committee

**1503.01 Establishment.** The Council, acting as the Community Health Board pursuant to Minnesota Statutes 145A and Section 700 of this Code, hereby establishes the Community Health Committee.

**1503.02 Purpose and Duties.** The Community Health Committee shall study and advise the Community Health Board regularly on community health activities designed to protect and promote the health of the population by emphasizing the prevention of disease, injury, disability, and preventable death through the promotion of effective coordination and use of community resources and by extending health services into the community.

**1503.03 Membership.** The Community Health Committee shall consist of nine regular and two student members. Members shall include, if possible, providers and consumers of health care services.

**1503.04 Subject to General Provisions Governing Boards and Commissions.** The membership and operations of the Community Health Committee shall be governed by Section 1500 of this Chapter.
